

STATION 5: THANK HIM FOR PROVIDENCE

Draw a time line of your life with important markers.

- With a green pen, write in times that God has given you clear signs and direction, which have altered the course of your life.
- With a red pen and write in times that God has been corrective.
- With a purple pen, mark the times God has obviously taken control out of your hands.
- With a blue pen, write in your secure future.

What providential part of your story most stands out to you? Praise Him!

Read Psalm 16:5-11 as a prayer of gratitude.
